Please send the following documents to Mr Sanjar Tursunov of the Commission of the EU Technical Assistance Programme National Coordinating Unit in Uzbekistan, at [s.tursunov@ncu.uz](mailto:s.tursunov@ncu.uz) with copies to [j.sharipov@ncu.uz](mailto:j.sharipov@ncu.uz) and [nurgul.smagulova@stantec.com](mailto:nurgul.smagulova@stantec.com):

## Getting to the city

Tashkent International Airport is located within the city of Tashkent and is 10 kilometres away from the city centre.

### By taxi:

Take the taxi to conveniently travel from Tashkent International Airport. Taxis with a taximeter are permanently available in front of the arrivals hall. The fare from the airport to the city centre of Tashkent is normally around €10.

One should bear in mind that upon exiting the international terminal, a large number of men will be crowded at the (sole) exit door offering "taxi" services. For the most part, these are not "official" taxis. Taxi drivers will attempt to charge whatever they believe a foreigner can afford. They will rarely accept small bills (dollars, euros or pounds), and cannot be counted upon to give change (in any currency).

**We strongly advise to arrange for an airport-hotel transfer with the hotel you will be staying at.**

Hyatt Regency Hotel's rate for a one-way transfer is USD 41 (about EUR 35).

## Meeting Venue

Address: Regency Ballroom, Hyatt Regency Hotel, 1A Navoi street, Tashkent, Uzbekistan

## Accommodation

**Participants are fully responsible for arranging and paying for their accommodation and staying expenses. The proposed hotel is Hyatt Regency Hotel.**
